Subject Items for Discussion

Barbara,

as we have discussed in the past, the following is a list of issues we would like to follow up on in our call tomorrow:

--Any additional PRPs to name or to send information requests from documents reviewed thus far

Parker Drilling or others?

--Status of Casale Documents

-- Status of FOIA 6-RIN-00724-04 -- On our December 7, 2006 call, EPA said they had some more documents to produce under this request.

Thanks, Liz
